

Arbor Heights Bible Church Online Community

Arbor Heights offers a one-stop communications platform for church members!

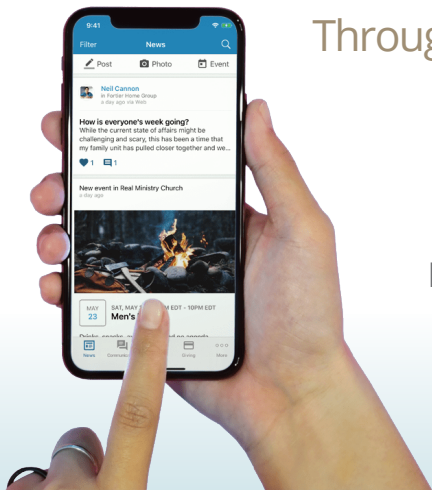

It's a place for spiritual connection throughout the week, which will engage, inspire, challenge, and encourage our church to grow in Christ and fellowship with one another.

Connect gives you full time access to church news, group ministries, church updates, prayer requests, online giving, event information, service team projects and more! Share your prayer requests through group chat features, and enjoy digital fellowship when we can't be together.

Access the Realm Connect community through the the instructions on the back of this insert, or if you have an iPhone, you can download an app through the app store.

Once you create a profile, place your request for access, and you'll be connected by a church team member.

Connection & Encouragement Throughout the Week

"And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near..."

HEBREWS 10:24-25
